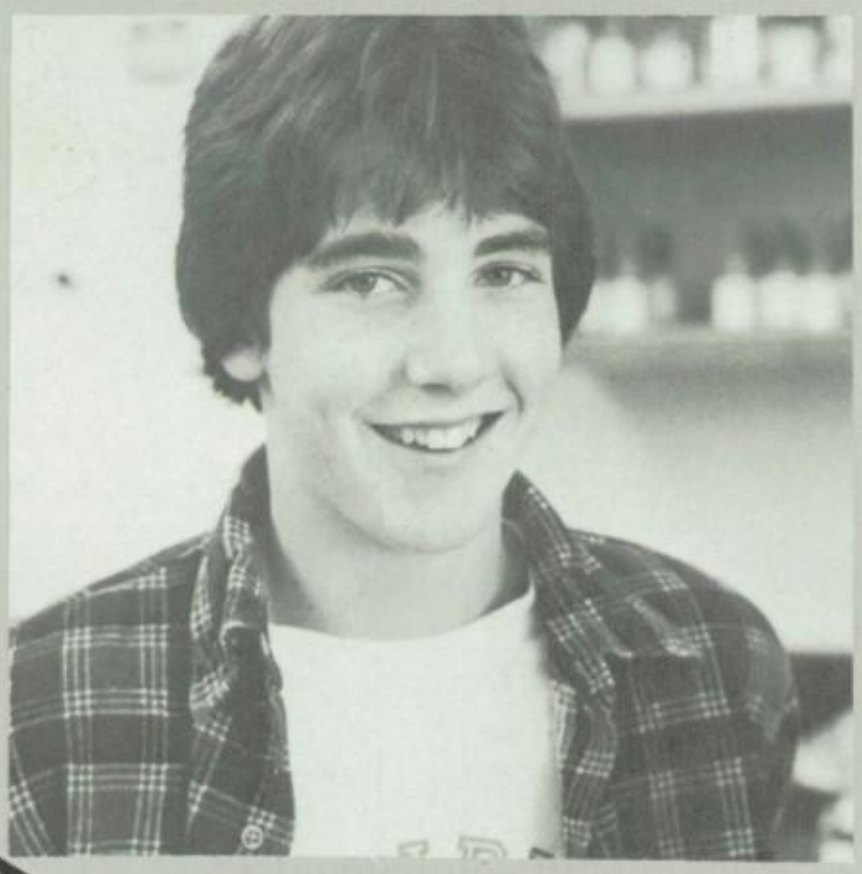
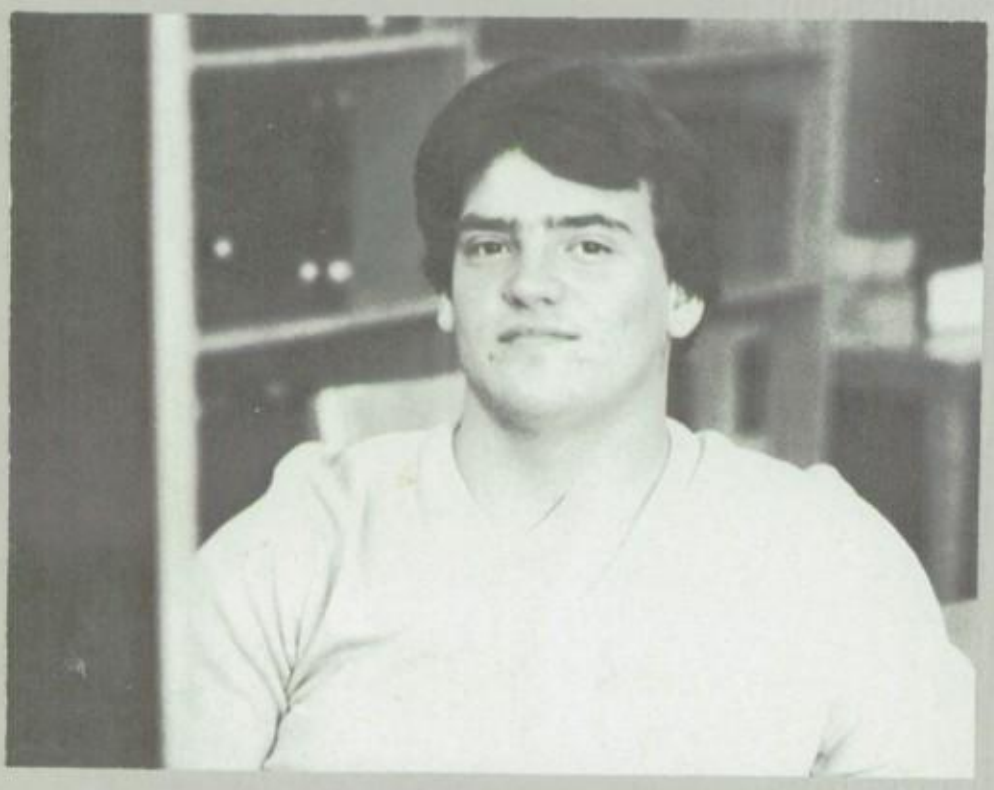
1982 HALFMOON

As four years of high school quickly come to an end, we face many decisions about our futures. During high school major decisions were probably which kinds of jeans to buy or which concerts you could get tickets for. There was never really that much pressure and we always had the freedom to be silly and joke around.



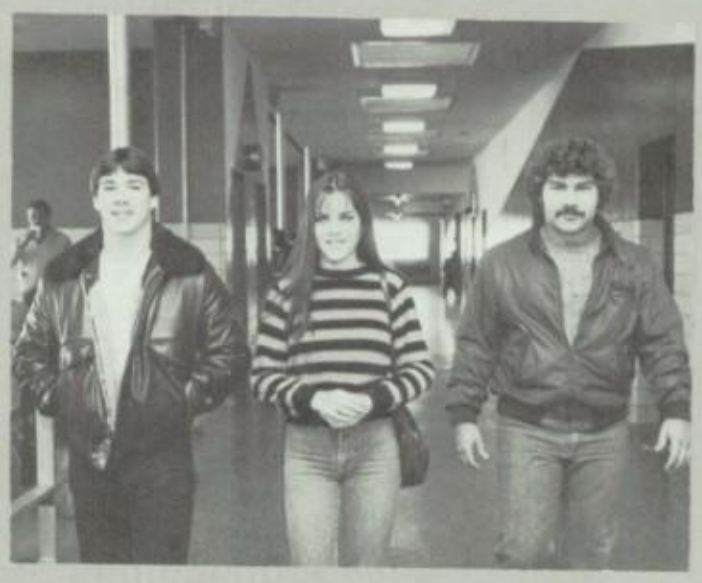


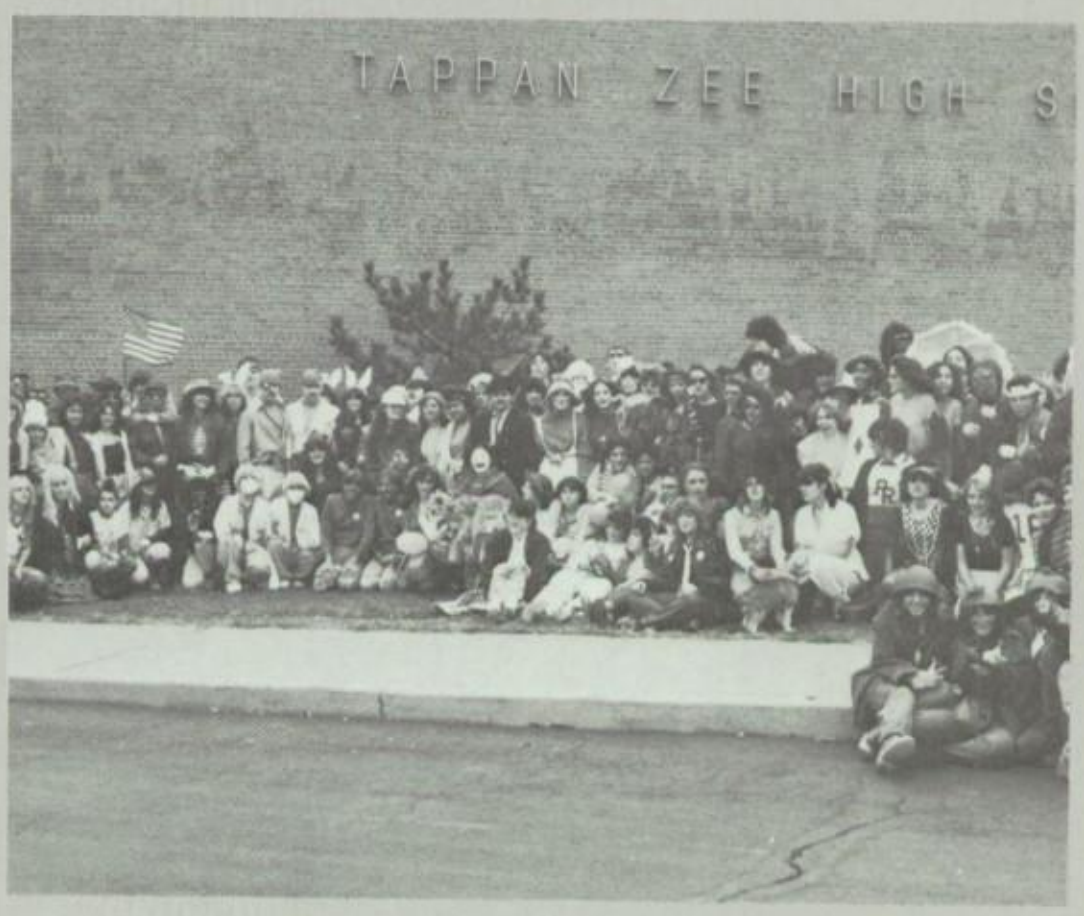
They were four years of making up excuses to get out of gym. Four years of making excuses for getting out of classes and tests. Four years of Football, Baseball and other activities. Four years of the parties after the games. Four years of broken and bleeding hearts. But if you think about it, nothing was really ever that serious or devastating. We just went on our ways, taking everything as it came. But now we've come to the crossroads.

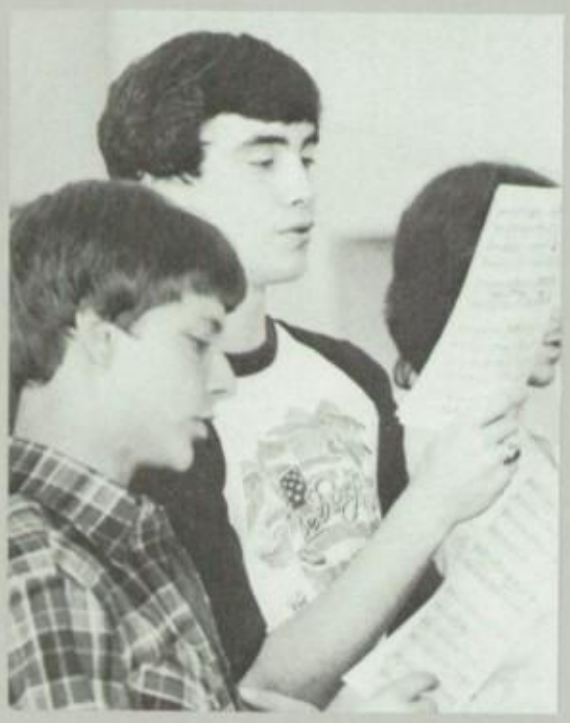
Now, the setting is a little different. The decisions we make will effect and run the rest of our lives. How will we support ourselves in the future? Will we get jobs or go to school? What kind of jobs could we get? What will we study in college?

The more we think about it, the longer the list of questions becomes. Has high school interested us into any particular career opportunities? How will we pay for the further education? Do we need further education? Whatever we decide, it will follow us for the rest of our lives, so we must make wise judgements. But those frequent visits to the Career Center or the guidance office were probably more confusing because they always opened up new doors with each visit.

But probably one of the hardest things we have to face is leaving our "high school buddies." — People we shared our hopes, dreams, fears and anxieties with. People we did all those silly and fun things with and to.

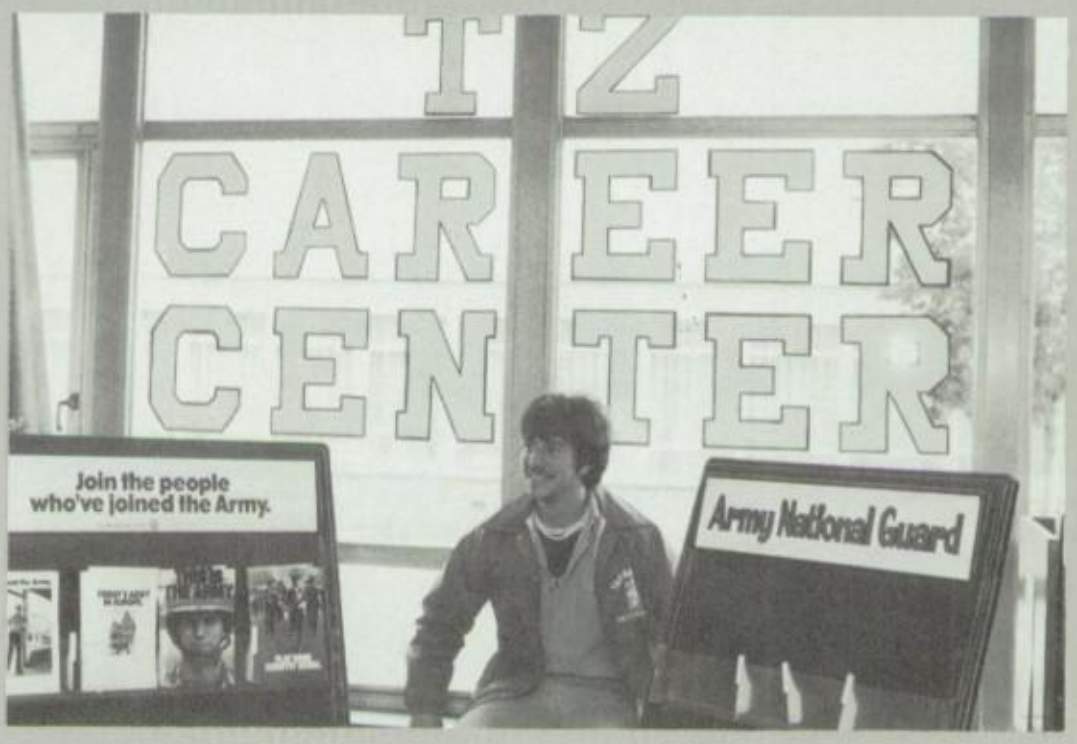






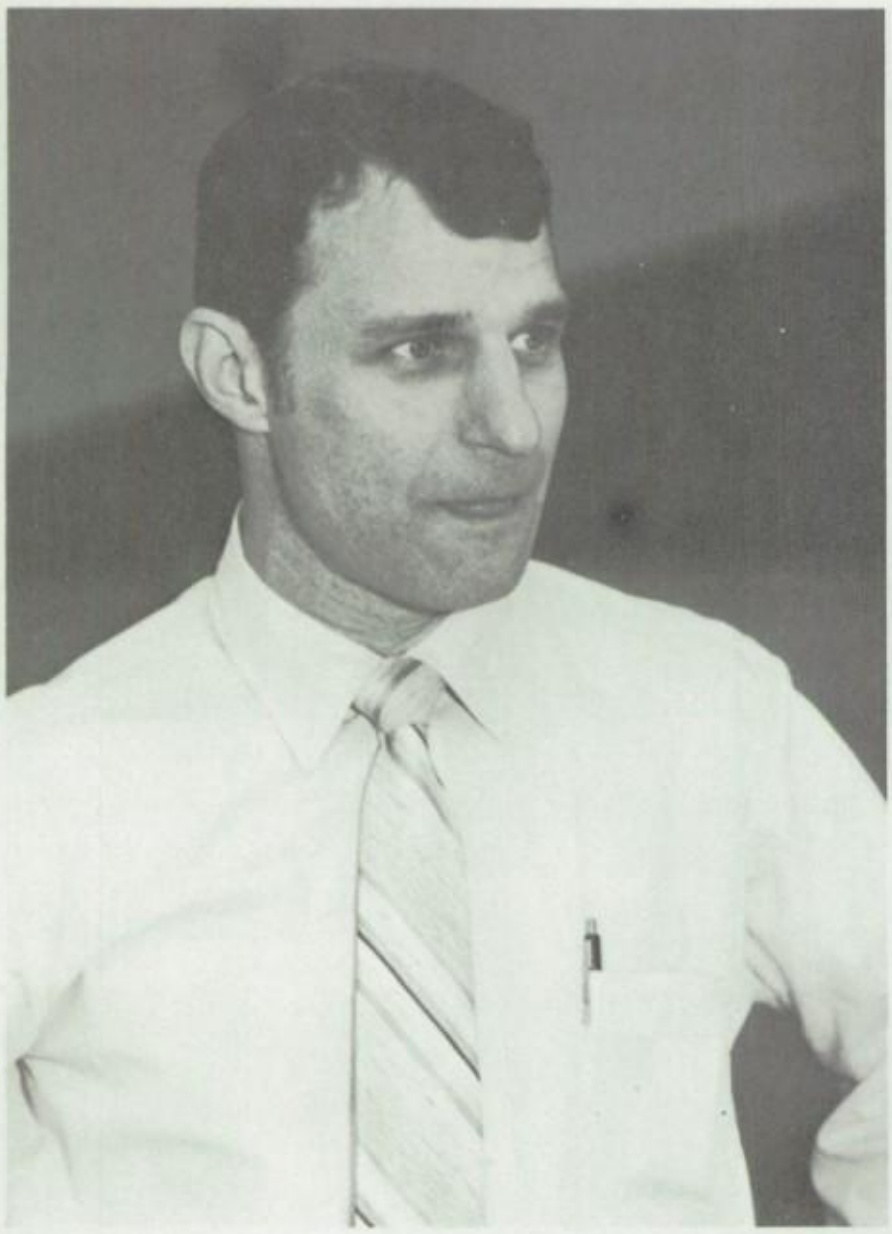
What will happen to your friend who was there when the person you were chasing for months finally asked you out; that same friend who was there for you when you broke up. Where will all the friends we hung-out with every weekend go after graduation? Will everybody in the "gang" remain friends?

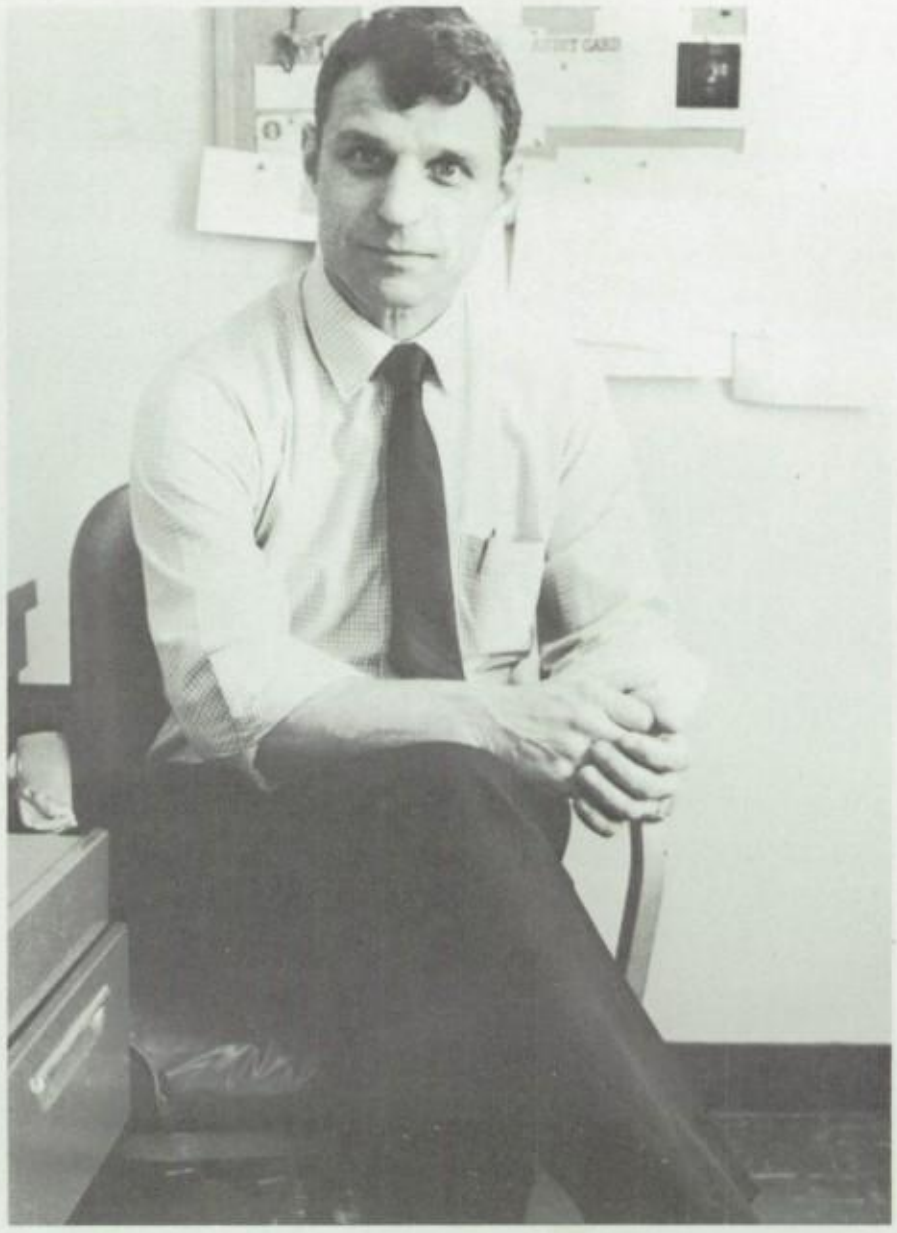
Now it's time to be serious; time to take charge of our lives and act as responsible young adults. It's time to decide what we will be as adults. Time to decide how long it will take and how hard we will have to work to become what we want to be.



The crossroads we face are many and ask many things of us. But if we use all the things we've learned here at T.Z., while keeping the memories of all our days, we can take and conquer any challenge that awaits us.

1981





Throughout our years at Tappan Zee, there has been one person who could always make us laugh and relax, no matter how serious things were.

But making our days fun was only the beginning . . . There was nothing we couldn't talk to him about, nothing we couldn't solve with his help.

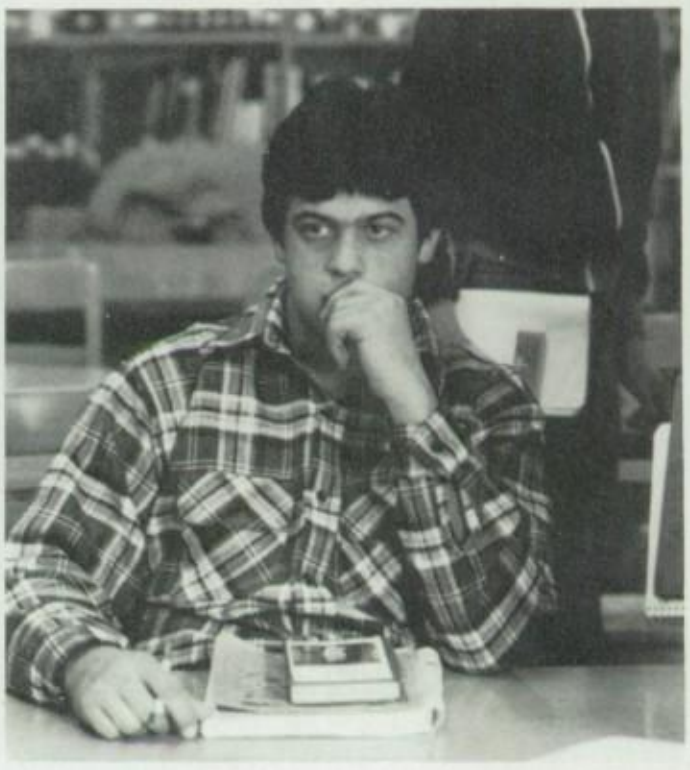
Mr. John Komonchak has always gone out of his way to help ANY student that asks for help — and even when we don't need help, he is still there, with a joke or two, ready to talk about anything and everything. He is our long-term, caring and hardworking friend, as well as a great guidance counselor.

How do you thank a man who has done so much for so many?

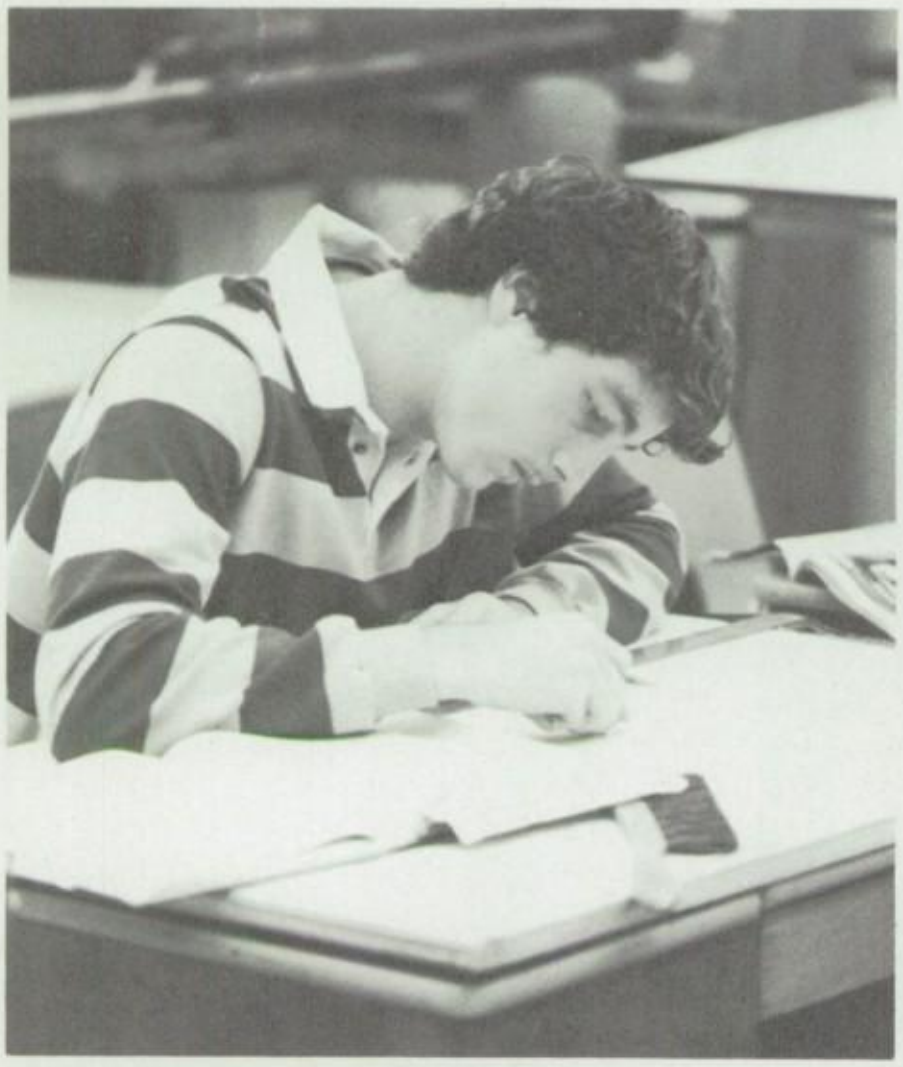
We hope this dedication can express our feelings.

With love and thanks,

The Senior Class of 1982



Seniors



It's hard to believe, but we've finally made it. Our years here at Tappan Zee have made impressions upon us all. We've made new friends and lost old ones. Most of us competed in various activities from college bowl to football. If we weren't giving it our all we were supporting the ones that were. The seniors this year have had the opportunity to travel world wide in order to enrich themselves and their years at Tappan Zee. Yet, senioritis has set in. Even though we'll miss our school, we must continue and move on to other endeavors. In June, we will laugh and cry but, most of all, we will remember our senior class — "The Class of 82".

"We are the Dutchmen! The mighty, mighty Dutchmen!" In mind, body, and spirit, the cheer governed our athletic teams. We played mightily and won mightily. And when we lost, we were constantly thinking of the next match-up when we could show our Dutchmen pride.

Football

A very tough year. This is the statement many are using to describe 1981's football team. Had a few more balls bounced the Dutchmen's way, this season could have been successful. Each athlete put in 100% this season yet they didn't receive many breaks. A 24-16 victory seemed to have the team on the right track yet a 2-0 loss to Spring Valley was very devastating. Many seniors played well and with a lot of pride this year including Co-Captains Joe Greely and Tee Flournoy, Mike Weinman, Rich Dispenzieri, Doug Alpuche, Gary Cohen, Ray Hernandez, Jerry Scaringe and Chris Kennedy, Weinman and Greely both made honorable mention while Tee was named to the 1st team.

Boys' Soccer

The soccer squad ended 1981 with a respectable 5-8-1 record. The team scored victories against Nanuet (twice), Spring Valley, North Rockland, and Clarkstown South. This is better than many people expected. Boys' soccer in TZ has not been known to be a power in Rockland County yet this year's team turned out to be a force to be reckoned with. Senior Tri-Captains Brian Raines, Billy Cooperman and Steve Reiken each were effective leaders this year. However, they received much help from Neil Berg, John Bennett, Brian Casey, Mitch Stern and honorable mention picks Andy Shelofsky and Lino Vecchio.

Girls' Varsity Soccer

The 1981 Girls' Soccer team was faced with a tough question this year. How can they top last year? The only thing that could top off winning the County title is winning the section 9 title. Had it not been for a 2-1 loss to Clarktown North the girls would have done it. The teams final record was 11-6-2. Four members made All-County including Sue Blose and Jeannine Smith. Second Team, Ann Farrelly — Honorable Mention and Marisa Premus made First team and was named player of the year in Rockland County.

Cross Country

Led by second team All-County pick Phil Maneri and senior Jim Hoffman, the cross country squad finished with a 4-16 record. Out of 10 runners, 5 were either Freshman or Sophomore. This group was led by the Katz combination, Judah and Hillel. Both lettered and seem to be the future for TZ Cross Country.

Girls Varsity Basketball

1981 was a year the girls found themselves on the winning side only once. A year such as this would force many players to quit and give up, but this was not the case. Coach Parke observed that the girls were working harder as the year progressed. Although the bright spots were far and few between, there was some fine play turned in by some girls. Faith Wilkens, Sue Blose and Casey Maloney each had fine seasons. Although the team was "blown-out" in a few games, they were close in most games but the inexperience finally caught up with them.

Winter Track

How can a 13 member team be competitive with teams averaging nearly 40? The answer is it can't. However, the track team had good spirit and some fine individual talent which kept them striving for improvement. John Chidwick, Phil Maneri, Mike Dempsey, Kenny Krasnow and Lucy Lilly are just a few of the athletes who tried to improve themselves. Maneri ended up to be one of the best 1,000 yard runners in the county as did Chidwick in the shot put. The team realized that there was no possible way of competing as a contending team with only 13 members. So when each member surpassed his/her own personal best it was a victory the whole team took pride in.

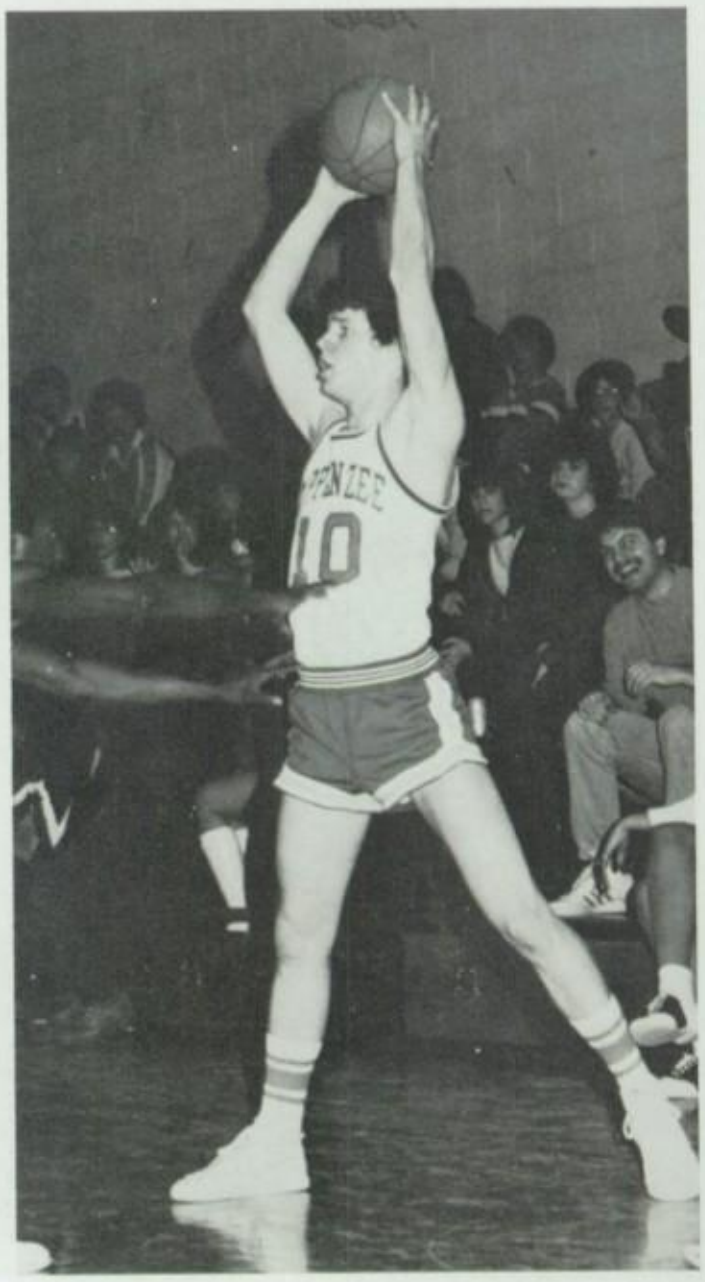
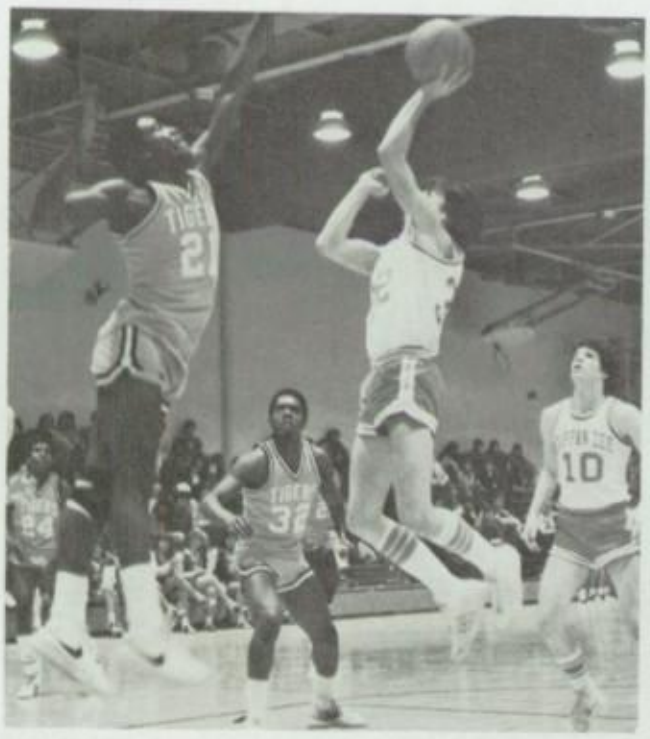
Boys Varsity Basketball

Boys Basketball Losing superstars such as Mitch Norotsky and J.P. Brassil would have a devastating effect on most teams but not the Dutchmen. It did have some sort of effect but coach Mokyrnka was ready to offset the one man offense T.Z. was accustomed to. He now relied heavily on 6 men and it seems to have done reasonably well in 1981 because the Dutchmen are winning more games than was expected of them. The six, Doug Alpuche, Gary Cohen, Bart Brassil, Pete Zonnefeld, Dan Power and Joe Greely have brought balanced scoring and teamwork back to T.Z. and it has been very successful.

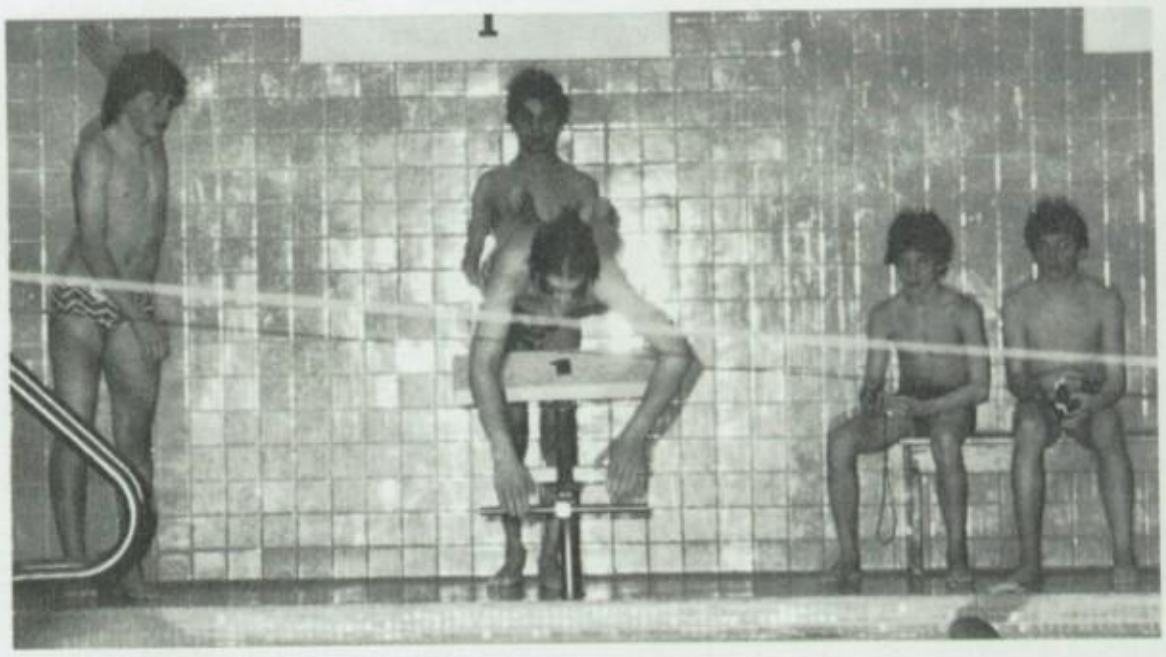


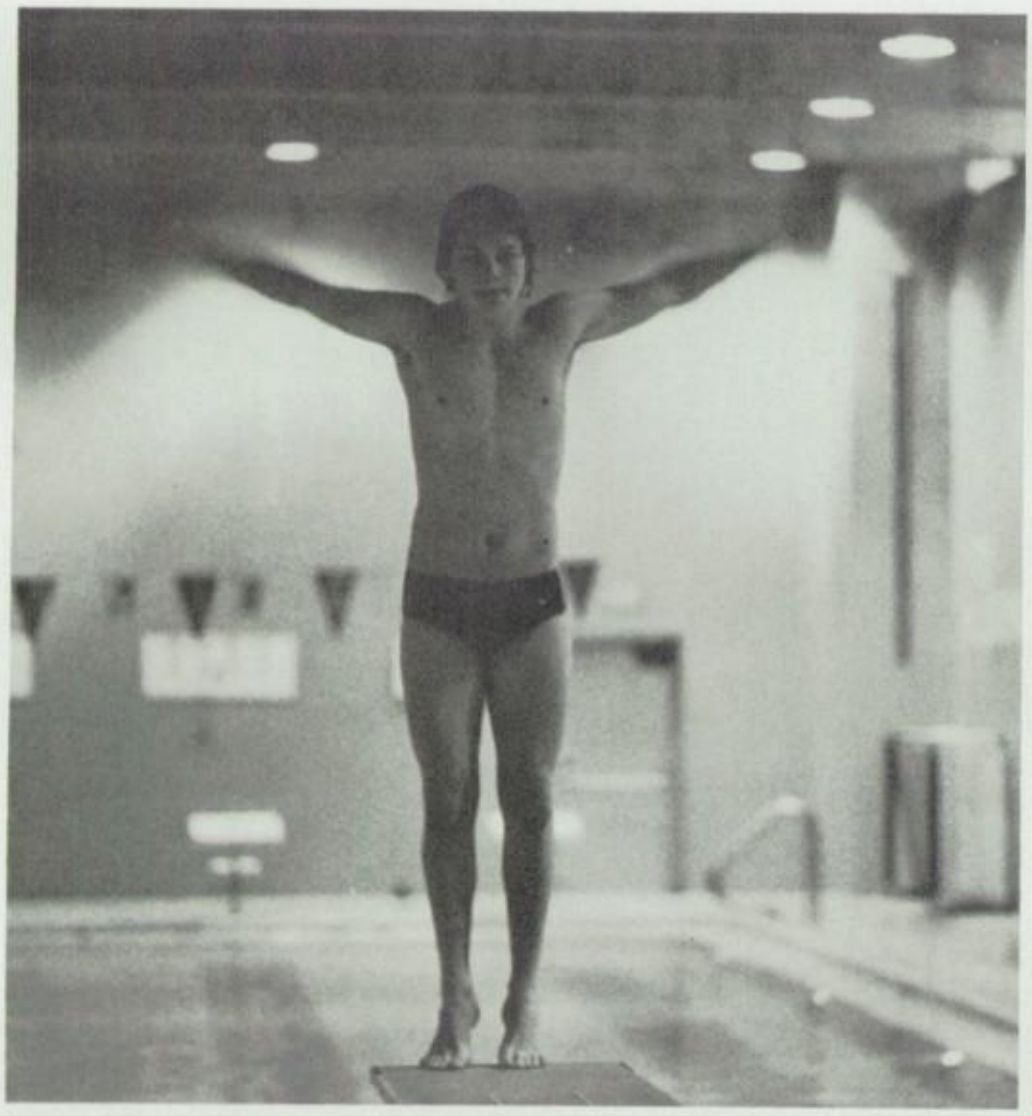
Coach Ron Mokyrnka, Doug Alpuche, Gary Cohen, Peter Zonnefeld, Don Higgins, Danny Powers, Bart Brassil, Adam Cohen, Neil Berg, Bill Kopac, Mike Vitelli, Joe Greeley

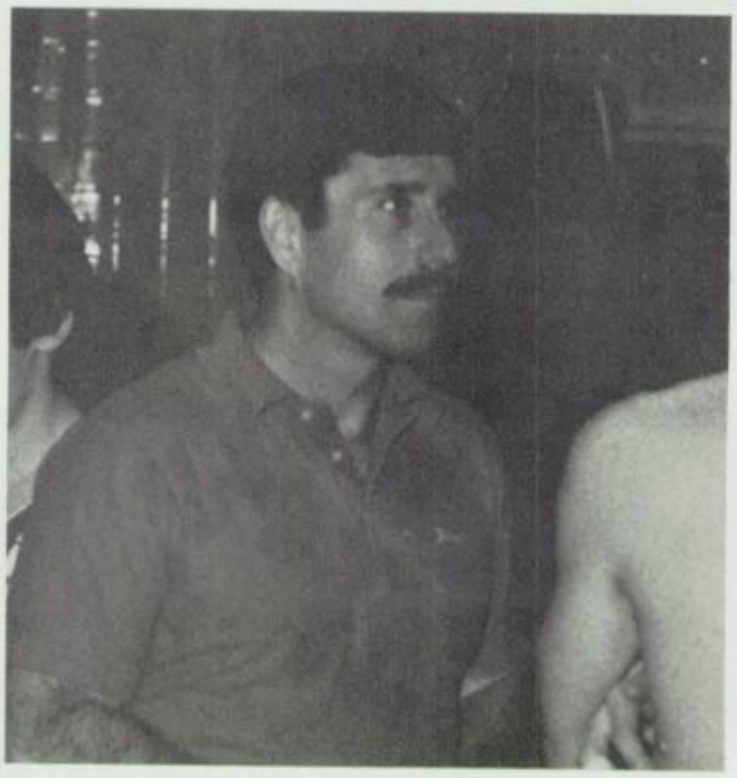


Boys' Swimming

Once again, the Dutchmen proved they are one of the best teams in the state. They roared through the 1981 season without losing one meet and hardly ever being pushed. Jim McCloskey, Dave Holmes, Tom Ryan and diver Robert Charmak led the way in helping T.Z. increase their overall record to 161-3. When Kingston, a highly ranked team in the state, backed out of a meet with the Dutchmen, it proved just how powerful they really were.







Brian Rooney, Danny Reilly, Ronny Beasley, Stephen Flynn, Donny Douglas, Austin Zivec, Andrew Turner, Ravi Abdul, Todd Evans, James Alonso, Ed Murphy, David Lewis, Kurt Carter, Mike Smith, Mark Kepner, Howie Furst, Tom Sullivan, Bill Clarke, Jeff Sheehy, Robert Kurz, Michael Wohl, Mark Hovsepian, Gary Hurban, Kenny Wong, Mike McManamon, David Reid, Jimmy McCloskey, C.; Alan Seise, Tommy Ryan, Jeff Guzman, Lance Kolb, Mark Celentano, Peter Algert, David Holmes, C.; Robert Charmak, C.; Bruce Douglas, Donald Kohl. Girls' Tennis

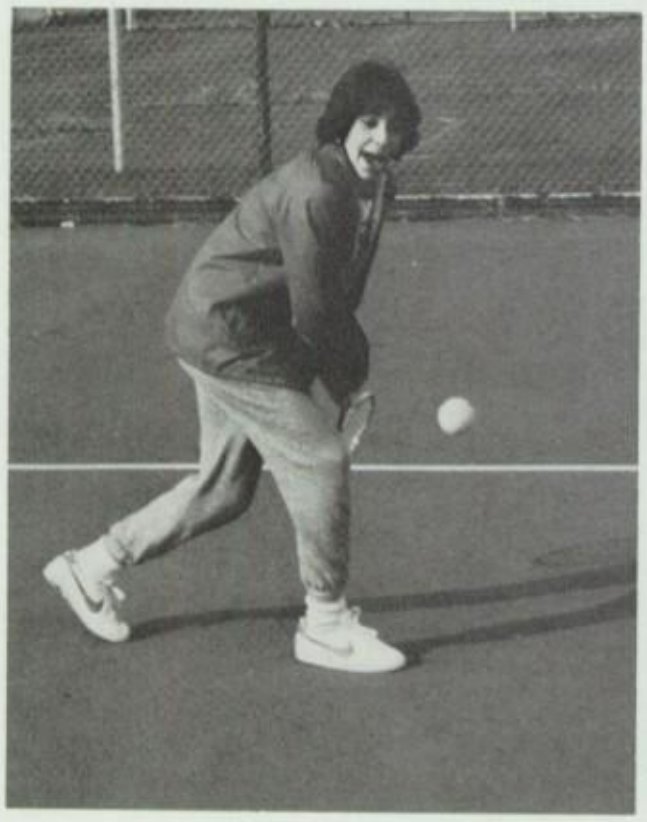
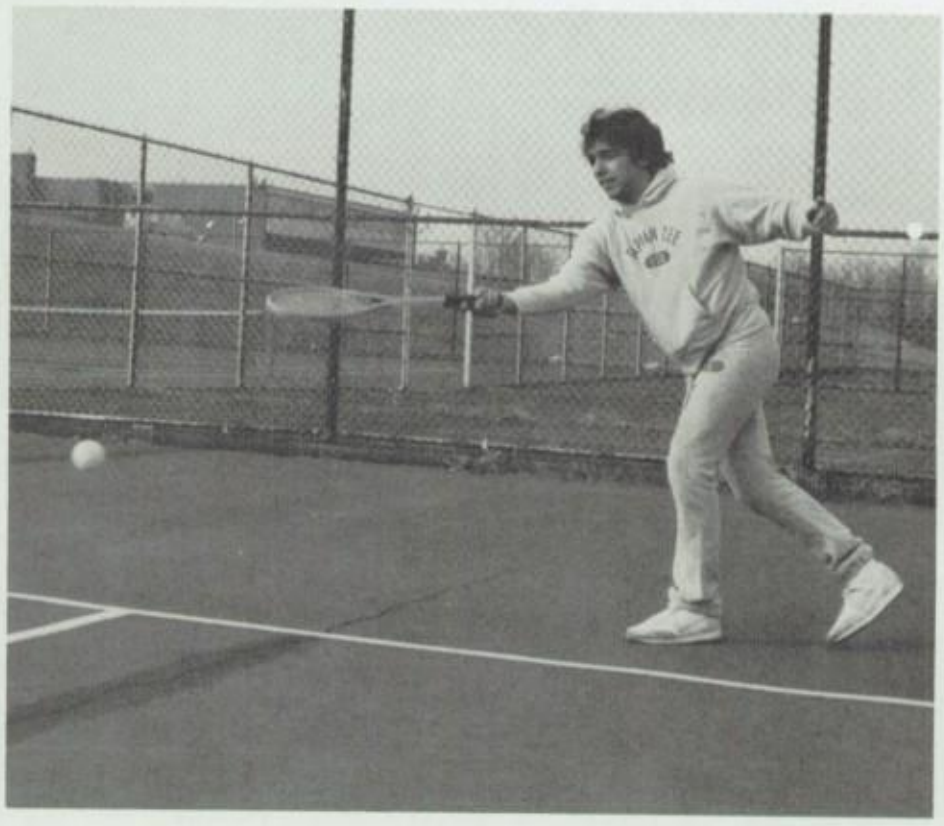
Amy Musinger — C, Wendy Adlson*, Lisa Stifelman, Laura Furst*, Gaye Lensky*, Shari Krasnow*, Karin Miller*, Karina Pomerantsev*, Lisa Schecter, Debbie Stulberg*, Audrey Gore.

Under the new coach Sally Morton the Girls finished with a record of 2-7. Beating both North Rockland and Pearl River decisively, the girls lost close matches to Clarkstown North and Spring Valley. Leading the team were singles players Amy Musinger and Lisa Stifelman. Each member of the team lettered to prove the well balanced team everyone knew they had. Wendy Adelson, Laura Furst, Karin Miller, Karina Pomerantzev, Shari Krasnow and Lisa Schecter each played well for the Dutchmen this year.

Boys' Tennis

Kenny Krasnow — C, Craig Lively, Jay Linde, Willie Salerno, Larry Feinman, Bob Ticker, Steve Smith, Mike Klugerman, Robert Esposito, Dean Rosenberg, Matt Weilhemer, Cliff Ader.





The boys finished this year at 2-8. Both wins, coming against Nanuet, were decisive 7-0 scores. 8 out of 13 players on the team are either sophomores or freshman so 2-8 is understandable. Leading the surge of youngsters are Adam Levine, Rob Ticker, Mike Klugerman and Steve Smith. Led by All-County pick and Tri-Captain Kenny Krasnow, the boys' team showed much enthusiasm. The two other Sr. Tri-Captains Craig Lively and Jay Linde were also inspirational leaders. Smith, Klugerman, and Krasnow were the only representatives from TZ in the county tournament, but in years to come more will follow.

Wrestling

Suffern, a nice scenic town. Why is it that many T.Z. supporters hate it? It could be that Suffern has kept the Dutchmen from winning the Rockland County Championship the past 3 years. This year proved to be another heartbreaker as T.Z.'s injuries and lack of depth stood in their way of a championship. However, with all the injuries, T.Z. still had several stars throughout the county. Wrestlers such as Steve Karas, Bill Hurley, Jerry Scaringe and Ray Hernandez all had enough ability to have outstanding seasons to top off fine performances turned in by the rest of the team.

Music, Art and Drama are three areas where students can develop their own talents and abilities. Tappan Zee's departments allow and encourage students to excel and improve in all these areas. This year our Concert Choir went on tour to perform at the World's Fair. The drama department put on "The Petrified Forest" and "My Fair Lady" and our walls are covered with murals painted by art students. In T.Z., wherever you look there's a bit of creativity.

Faculty

Faculty were not just faces in the crowd. They were involved with us, the student body, and they have become part of our lives. Not only did they teach us, but they guided us and supported us through tough times and the not-so-tough times. Often, a helping hand or a guiding point in the right direction, or even just a smiling or funny face was all that was needed. They may not have been perfect, but they were always there.

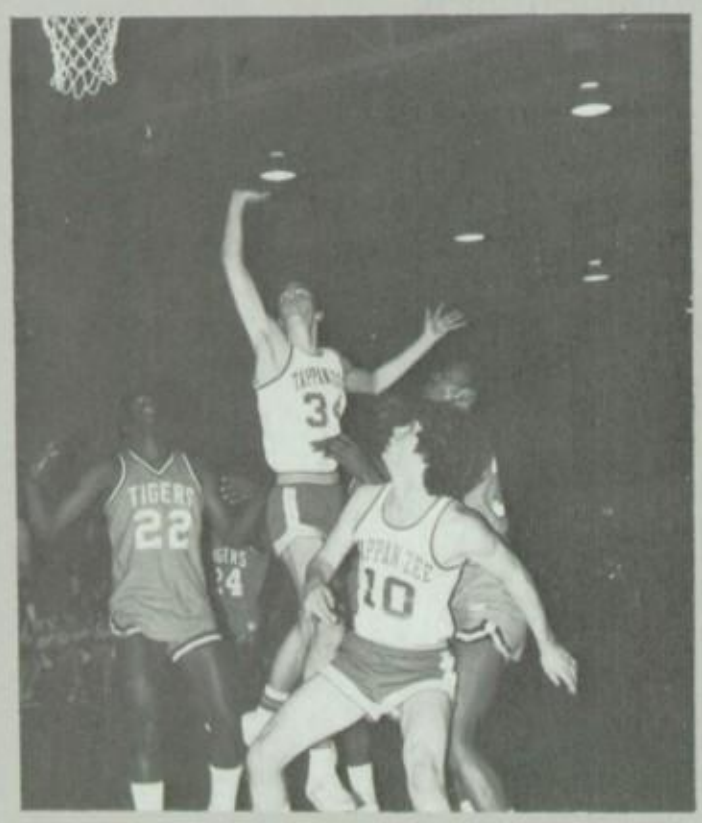
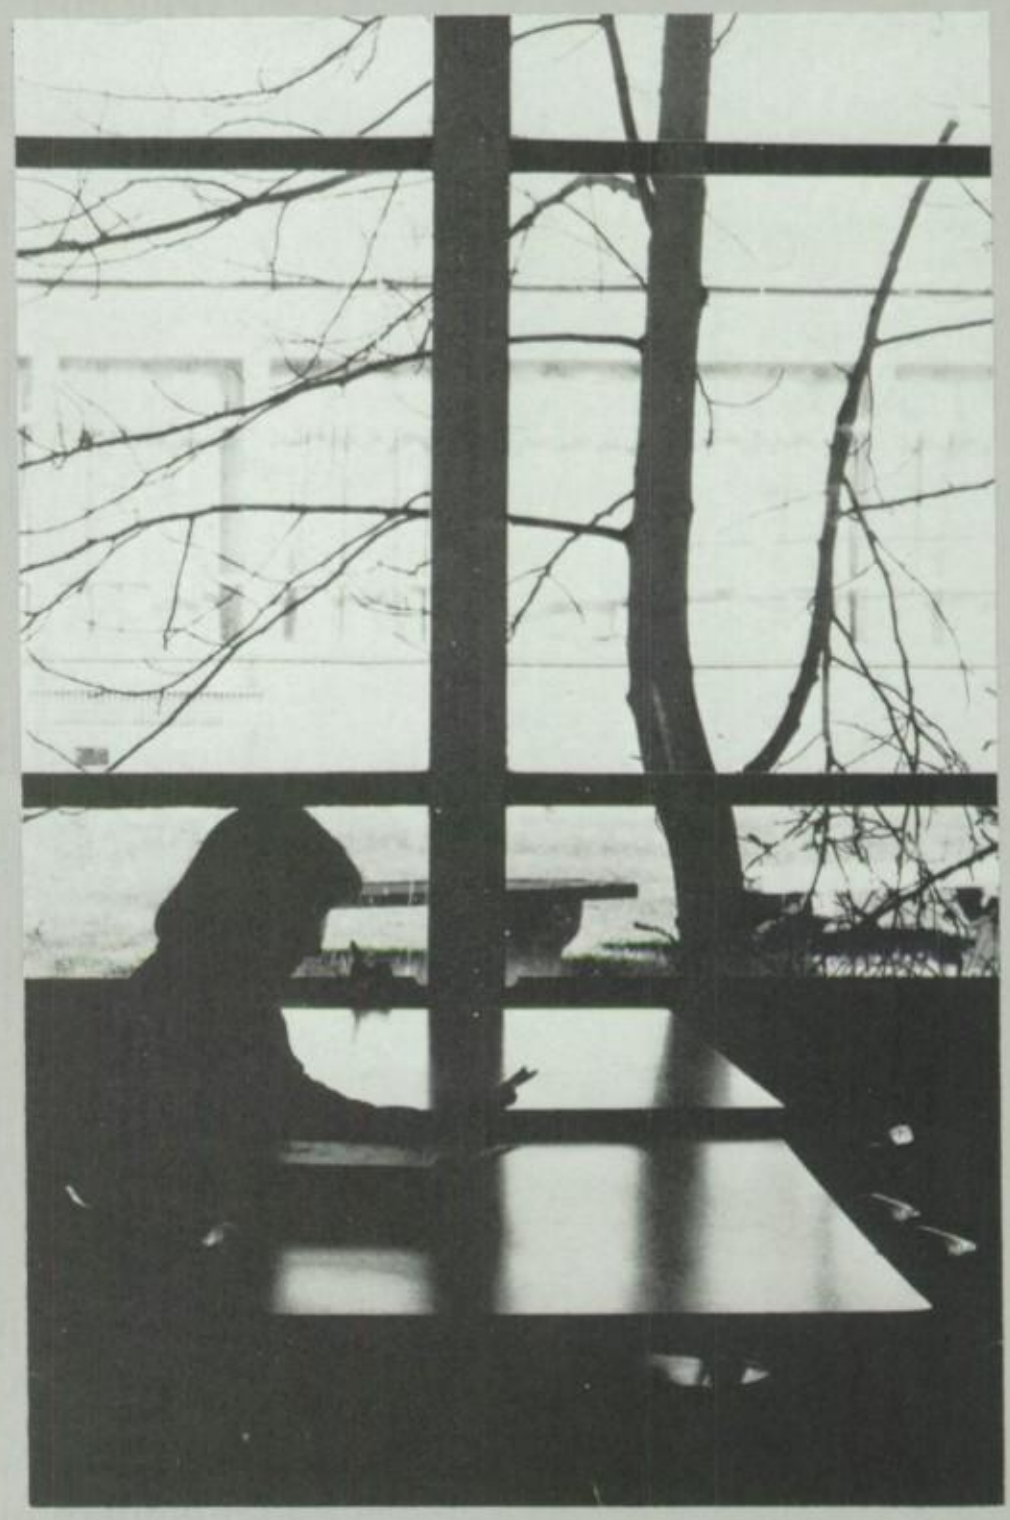
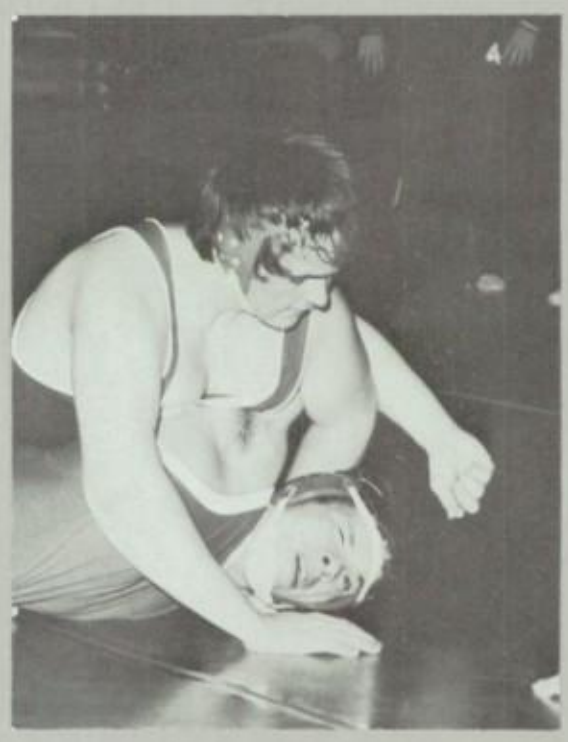
Well, we've made our decisions — as hard as they were and now it's time to prepare for the kind of lives we've set up for ourselves — whether we will be headed for college or a job. But it is also a time to reflect — reflect on what we've done and learned here at T.Z.

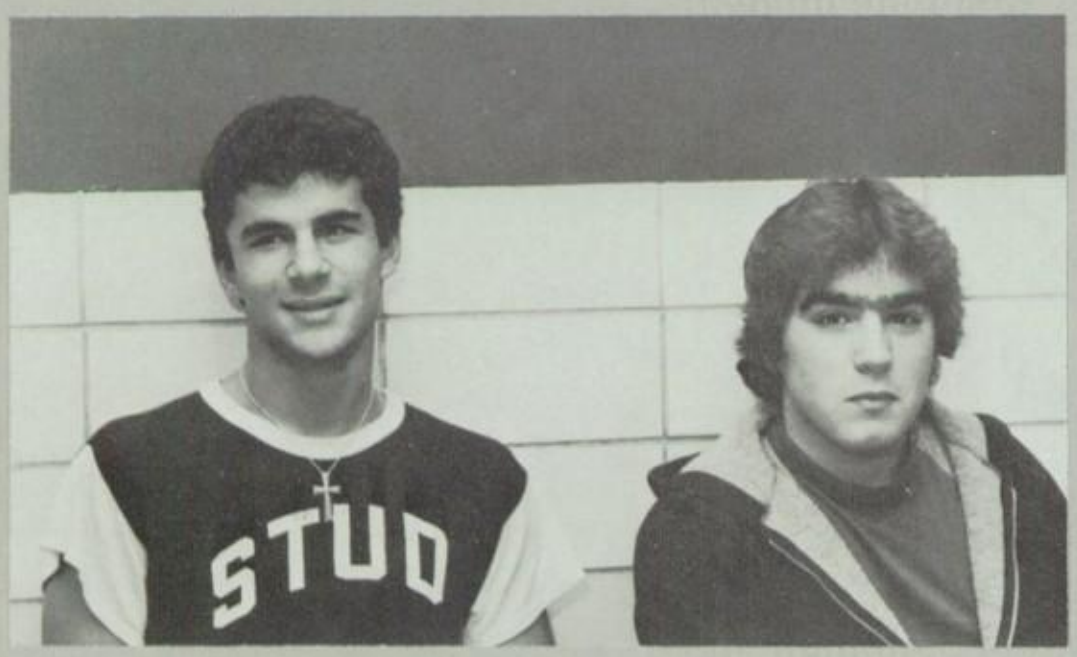






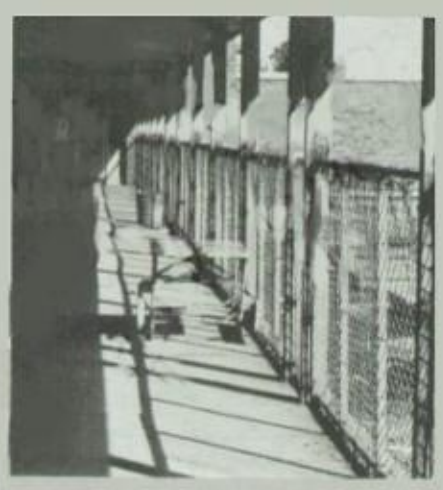
With the diversity of clubs, sports, teams and all other activities, TZ kept the adrenalin running and the spirit high. We played on and rooted for all our teams — no matter how the seasons turned out.

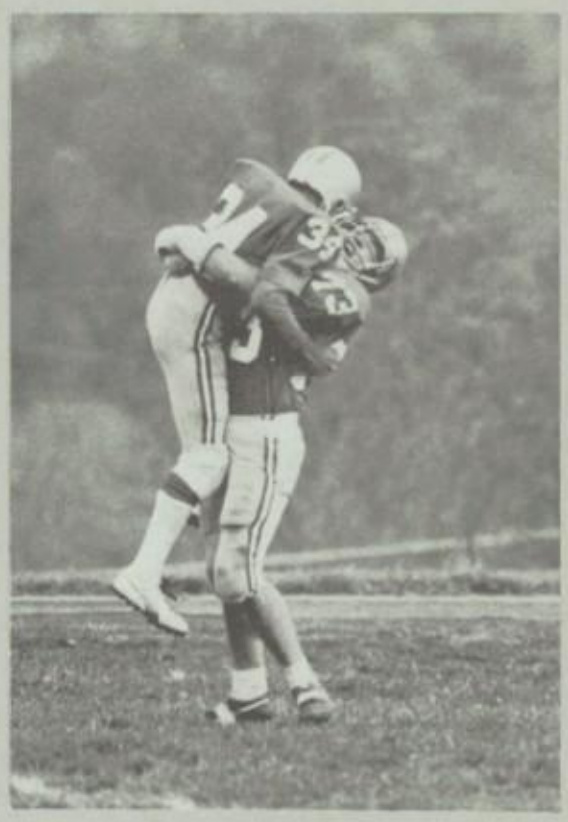
And just think of all the friends we've made and all the fun we've had. There are so many memories to look back on.

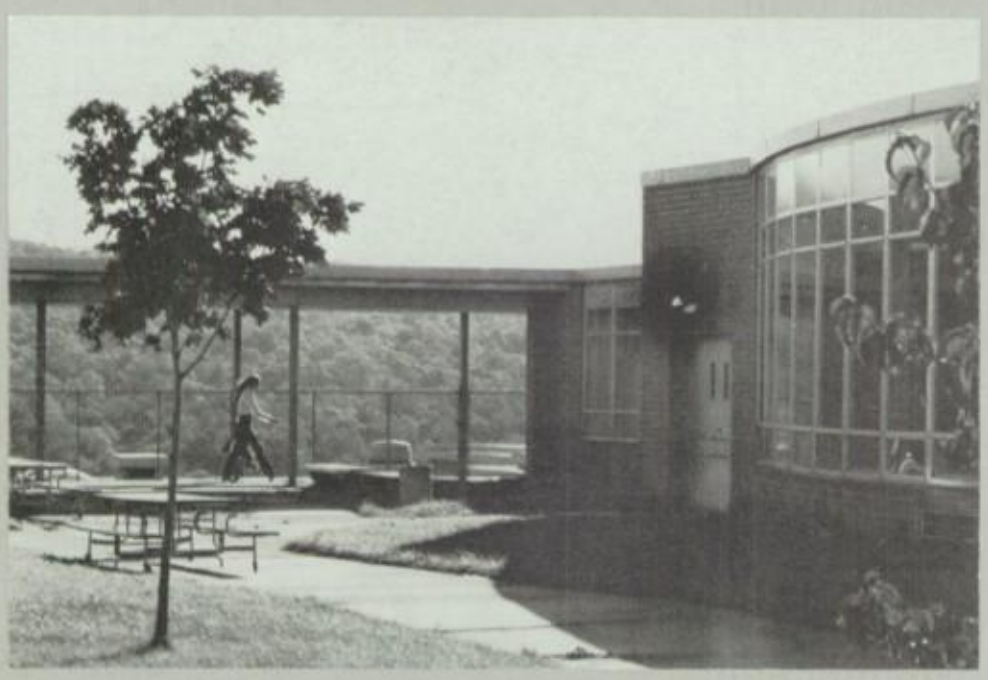


What about all the crazy stunts we pulled with our friends? Remember the Homecoming, Ring Night, the Prom — just to mention a couple of million experiences we've had.

It doesn't seem possible that four years could slip away so rapidly, but when we think of all we've accomplished and experienced — it's hard to believe that we did so much in just four years.







TZ has given us many things and has prepared us for what is to come but now it's time for us to take charge all alone and to enter the world we've been preparing to meet for so long. We've come to the crossroads and are on our way.
